

Objective

- Parents have a better understanding of issues their child is facing
- Importance of 'still communicating' with teenagers
- Clear rules / boundaries

Audience

- Middle and High School parents
- Target list but open to all parents

Teenage Issues

Aim

- Inform / raise awareness of possible issues; drugs, sex-education, media, body changes, relationships, transition, behaviour, communication
- Understand what is 'normal behaviour'

Difficulties

- Emotional parents
- Parents acceptance of issue
- Parents expect a 'tick list' for parenting
